

ENJOY YOUR VACATION RESPONSIBLY

KEEP YOUR EYE ON THE WEATHER FORECAST

Take note of the information on dangerous weather alerts and heat waves.

PROTECT YOURSELF

Avoid direct exposure to the sunlight between 10 am and 5 pm. Drink enough liquids. Wear comfortable, light coloured clothes. Don't leave children or pets in parked vehicles.

BE EQUIPPED

Do not go on trips into the wilderness alone. Take appropriate clothing and footwear, enough water and food as well as a well charged phone.

ASSISTANCE IN DANGER

By dialling 112 you can reach the police, firefighters, emergency medical services, mountain rescue and other emergency services as well as associations within the civil protection system.

KEEP THE ENVIRONMENT SAFE FROM FIRES

It is forbidden to light fires in open areas. If you see a flame or smoke immediately call 112 or the fire department directly on 193.
